To Our Patients:

Adams Street Dermatology verifies your benefits with your insurance company. A quote of benefits is not a guarantee of benefits or payment. Your claim will process according to your plan, if your claim processes differently from the benefits we were quoted, the insurance company will side with the plan and will not honor the benefit quote we received.

It is the policy of Adams Street Dermatology that payment is due at the time of service unless other financial arrangements are made in advance. We require all patients to pay their copay and at the beginning of each visit. At the conclusion of your visits with us you may be billed for any outstanding balances which may include co-insurance or deductible amounts. If there is a credit, you will be provided a refund promptly.

If you are covered by health insurance benefits, we will bill your insurance. Please provide your insurance information to the front office staff and we will verify your coverage as a courtesy. Accepting your insurance does not place all financial responsibilities onto this practice, and you will be held accountable for any unpaid balances by your plan.

Although we are contracted with most insurance carriers, our services may not be covered by your particular insurance plan. Being referred to our practice by another physician does not necessarily guarantee that your insurance will cover our services. Please remember that you are 100 percent responsible for all charges incurred: your physician's referral and our verification of your insurance benefits are not a guarantee of payment.

We highly recommend you also contact your insurance carrier and check into your coverage for dermatology. Unfortunately, it cannot be assumed that you will not owe anything if you have more than one insurance policy.

Should you have any questions, please do not hesitate to ask our Practice Manager. She can be reached at 617-773-9805.

I understand the financial policy for Adams Street Dermatology/Darin S, Gogstetter, MD, and agree to pay copayments, co-insurance or deductibles which my insurance states are my responsibility. I understand if I do not pay for these charges, my account will be turned over to a collection agency.

I also understand a payment plan can be set up to pay consistently on my balance.
